**PRESS RELEASE:**

**Jeffery S. Poss**

**Elected to The College of Fellows**

**Of The American Institute of Architects.**

Jeffery S. Poss, *Professor* at the University of Illinois at Urbana-Champaign, and Principal, *Jeffery S. Poss Architect*, is pleased to announce his election to The College of Fellows of The American Institute of Architects.

The College of Fellows, founded in 1952, is composed of members of the Institute who are elected to Fellowship by a jury of their peers. Fellowship is one of the highest honors the AIA can bestow upon a member. Elevation to Fellowship not only recognizes the achievements of the architect as an individual but also elevates before the public and the profession those architects who have made significant contributions to architecture and to society.

Poss will receive his Fellowship medal during the Investiture of Fellows Ceremony on Friday, June 11, 2010 at the 2010 National AIA Convention and Design Exposition in Miami.
